June 5, 2011

To whom it may concern,

I would highly recommend Lawrence Maintenance for carpentry and deck maintenance services. Larry performed power washing and staining services on my deck at my home in West Bloomfield in the spring of 2011. He not only performed impeccably, he was honest, courteous, and truthful. He treated my home and property like he would treat his own, and I would hire him again in the future in heartbeat!

Sincerely,

Anthony S. Muhammad
